That's great, Please check the salary range for me ,also I forgot to ask, Is there travel on this role, and if so to what extent,, And finally would the person be working out of the NY office? I ask because many times these event planners visit locations for venues,, etc,,

Hi [REDACTED] Thanks so much,I will work on it ,, no worries. If you can happen to find out a salary range it is helpful, I realize he may have flexibility,,but I want to keep it within a range that Mr Epstein is comfortable with for the position,
