Hi Allison...I spoke with Eva this morning and she would like an apartment for a friend...we will have one for this friend after 5pm today...(we currently have a guest there, they are departing at 1pm and I will have cleaned and turned around)

Please let me know the name of Eva's friend so we can alert the doorman and leave a welcome letter...

Eva's friend will stay in 10B. The code to 10B is 10067
The apartment address is 301 East 66th Street, corner of 66th and 2nd

Please find out how long Eva is hoping to have this apartment for...

Also, we have more furniture available if Eva would like it...please let me know if she (or someone) would like to go have a look at it first...All the furniture is in apt 7J and kind of piled on top of each other...

Thanks so much, [REDACTED]
