I absolutely did. Glad today's weather didn't come a day earlier.

Hi [REDACTED]

How are you?

I am writing because Leon and Jeffrey had an email exchange recently, and I think that Jeffrey proposed April 21st as a good day for them to see each other in the city. If this is so, I would like to propose 2:30 pm. If that time does not work, I will let you know what else is possible that day.

Thanks very much.
