Hello Valeria!

We will definitely try to make something work...let us speak with Jeffrey and look over his calendar as well as touch base with Woody's calendar and we will come back to you with some possible dates...

Thank you,
Lesley

Dear Juliya,

Thanks very much for the very kind invitation. We'd like very much to work it out. We're leaving the country tomorrow and won't be back for 10 days. Would it be possible to work something out after that?

Valéria

I hope this note finds you both well. Jeffrey would like to extend an invitation to you and to Noam to come to New York and share a dinner with Woody Allen and wife. Jeffrey has offered to send his plane to pick you up, take you home or if you prefer to stay overnight, provide a guest apt for your use. If your schedule permits I'm sure it will be a fun night. Jeffrey's assistant will be able to coordinate mutually acceptable dates at your convenience. Woody remembered your dialogue and did love the posthumous memoirs. I,m sure he and Jeffrey would prefer dinner pre -humous
