Subject: Apt change (again)!

Hi [REDACTED]..the guest that was to stay in 8A will now stay in 10B...please change your calendar to clean apt 10B on Monday morning May 11 instead of 8A...

However!~ Please check on 8A on Monday as the building will be putting a hole in one of the closets so they can access a plumbing problem...they may not clean up so great!

Please confirm back.
