**Subject:** Fed Ex from Japan to Office

FYI...I have given Joi Ito's office in Japan Jeffrey's Fed Ex number so they can Fed Ex the documents we must have to obtain Japanese Visas for the girls...wanted you to know there will be a charge for this on our bill...AND to let you know to be on the lookout for a fed ex probably end of next week. I have asked that his office give me the fed ex number and let me know when it goes out so we can stay on top of it...thanks!
