Melanie is not sure...apparently someone said Leon didn't need to be on this earnings call and then Leon was pissed that he wasn't asked to be on it...so now he is on the earnings call at the office and she can't speak with him...she said she will let us know as soon as she finds out something...

Melanie says Leon is at the office on their earnings call...she knows he had a 10am here with you and is not quite sure why he is at the office...she is asking if perhaps you two discussed yourselves to cancel or reschedule your 10am this morning...
