Thanks, [REDACTED] I wonder why Mark called me and said that Jeffrey wanted Mark to find him things for him. I have been on the double coming up with these incredible items only now, to find out, he is not at all interested. I am totally confused as my time is valuable. I can't help but feel a bit upset. You might ask Jeffrey if Mark was only thinking he wanted items... I would like to know. I am a professional designer and art collector and do not do this as a hobby. Please forward this to Jeffrey, as well.

When he is ready, I certainly will be glad to help him.
Thanks so much,
Annita

I forgot to mention that the suits of armor were in Andrew Carnegie's collection. That's about as good as it gets.....
