That sounds good...the director may not even want Mr. Epstein's facade! You can circle back to me ...thanks

Are you sure we need the actress to walk out the front door and I'm sure they'll be some exterior set dressing involved since this is taking place in the 1900's. I will check our budget but we should go over all the details in full. Let me take the pictures and we'll go from there.

I have alerted the house staff you will be taking pictures of the front door to Mr Epstein's home. I am not there today(just to let you know) and I will need to find out about daily shooting fee!

Hi- [REDACTED], they want me to take new pictures of the exterior and the surrounding area. I could be there by 3:30PM if that's okay with you. Also what is your daily shooting fee? Please let me know so I can inform the powers that be.

Good afternoon Lesley.
My name is Jose Guerrero and I recently worked with Amanda Foley on the TV show "ODYSSEY" I am currently working

on a cable TV series titled "THE KNICK" starring Clive Owen. Directed by Steven Soderbergh, Who also directed "OCEAN'S ELEVEN, ERIN BROCKOFICH and many other great movies.

The Knick takes place in the 1900's and is currently shooting its second season in New York. We are currently scouting for a great exterior mansion on the east side and would like very much to show pictures of the exterior of 9 east 71st street to our director Steven Soderbergh. The scene we would like to create, which will shoot some time in May is of an actress walking out of the mansion and getting into a horse drawn carriage. I don't want to show the pictures to our director with out your permission or if you feel this won't work for you. I hope to be given the opportunity to discuss our request in more detail with you. Once again thank you for your time and consideration with this project.
