If you have any questions you can always call 800 345 6541 (Visa HQ) They have been very helpful to me when I have had a question. The web address again:

The website says you can pay with a credit card!! It is \$246.00

Once I receive the documents tomorrow I will let you know...I think you should go to the office in person and apply for the visa...they are open M-F from 9am to 5:30pm...
