yes, don't worry...Dr Bard is not coming until tomorrow in the afternoon...he left a comforter for himself in a big bag with his name on it a few months ago and asked if he could keep it in the closet so every time they come back, they can use their own comforter...but I don't know where this comforter is anymore. I thought [REDACTED] had it in her apartment for awhile for safe keeping...her or [REDACTED]...we need to hear from them first...keep doing what you are doing!

[REDACTED] and [REDACTED], I know you two had it at one point...Dr. Bard is coming on Friday (tomorrow) and is asking about it...once (if) found, we need to put in apt 10B...[REDACTED], could you put in 10B for them?
