Hi [REDACTED] Mr. Soderberg had to go to a last minute meeting. Unfortunately we will not be able to come by tonight. We will either scout early in the AM or just shoot it at night fall. Please tell Mr. Epstein that Mr. Soderberg apologizes for not being able to make it tonight and thank you once again.

That's correct [REDACTED]! I just checked in with Con Ed and their just checking for any potential gas leaks, they will not be there tomorrow. I have a bad feeling that Mr. Soderbergh might not even scout the exterior tonight. If the day goes the way it's going right now he may just show up tomorrow and shoot the exterior.

Good morning [REDACTED]. Thank you for checking in as of now we are behind schedule due to the weather. I think that if he's able to come by it will only be for a minute to look at the exterior and set up the shot. After that Mr. Soderberg is due at that editing room, maybe a quick hello. Also I was just notified Con- Ed is tearing up the street, I need to check in on this.

Good morning Jose. Just checking in as I know you said Mr Soderbergh is to stop over to Jeffrey's home tonight and have a look at the facade himself. Might you have an idea on his timing? Please do ask him to knock on the door as Jeffrey would love to offer him a cup of coffee

Thanks, [REDACTED]
