Celmi is here each Thursday from 9:00am to 2:30 pm. Perhaps they can come Thursday morning?

Of course! Happy to...the only thing is they need in the basement as well...will your babysitter/maid to be at your house between 3-5pm on April 24 to let them in to the house? (I don't think you want the Dobson guy to just let himself in and down to your basement)...

Hi [REDACTED]  
Thank you. Could you give them the garage combination (34340) and they let themselves in?
