We were going to drive to West Palm Beach to see some family, but they got the dates mixed up so we had to change our plans at the last minute. We ended up going to Amish country, Gettysburg, West Virginia, then came home for a few days because the weather turned sour everywhere we wanted to go, and then spent a few days in the city doing things I've never done, and eating good food!

Hi Lesley,
How are you?
I am writing because Leon and Jeffrey had an email exchange recently, and I think that Jeffrey proposed April 21st as a good day for them to see each other in the city. If this is so, I would like to propose 2:30 pm. If that time does not work, I will let you know what else is possible that day.

Thanks very much.
