Subject: Which Hyatt in Tokyo?

There are 2 Hyatt's in Tokyo:

Grand Hyatt Tokyo

<http://tokyo.grand.hyatt.com/en/hotel/our-hotel.html>

The Grand Hyatt is located in the "Roppongi Area" which is considered the Financial District. It is a 5 star hotel and you would receive all of the Centurian Amenities.

Park Hyatt Tokyo

The Park Hyatt is located in the "Shinjuku Area" which is considered the museum/theater area. It is a 5 Star hotel but you would not receive all of the Centurian Amenities here..

I am told the two hotels are not that far from each other.

Which hotel do you prefer? Grand or Park?
