Hi- [REDACTED] they want me to take new pictures of the exterior and the surrounding area. I could be there by 3:30PM if that's okay with you. Also what is your daily shooting fee? Please let me know so I can inform the powers that be.

Hello Jose. Sorry For my delayed reply. I was on holiday last week.
Mr Epstein says it is fine for you to show the director the pictures of
the front of his home

Thank you,

Good afternoon Lesley.
My name is Jose Guerrero and I recently worked with Amanda Foley on
the TV show "ODYSSEY" I am currently working on a cable TV series
titled "THE KNICK" starring Clive Owen. Directed by
Steven Soderbergh, Who also directed "OCEAN'S ELEVEN,
ERIN BROCKOFICH and many other great movies. The Knick takes
place in the 1900's and is currently shooting its second season in New
York. We are currently scouting for a great exterior mansion on the east
side and would like very much to show pictures of the exterior of 9 east
71st street to our director Steven Soderbergh. The scene we would like to
create. which will shoot some time in May is of an actress walking out of
the mansion and getting into a horse drawn carriage. I don't want to show
the pictures to our director with out your permission or if you feel this
won't work for you. I hope to be given the opportunity to discuss our
request in more detail with you. Once again thank you for your time and
consideration with this project.
