I have found a visa passport service in NY that the girls can use to obtain visas for Japan.
(Darren recommends a service to avoid errors)

For [REDACTED]:

For [REDACTED] and [REDACTED]:

QUESTION so the girls can properly fill out visa request:

-Are the girls applying for a tourist visa or a business visa? (if tourist, they will need a letter of employment, if business they need a letter printed on company stating nature of business to be conducted, etc..they will also need a business invitation. Joi's office can help with invitation letter)
