Joi's office can start the paper work for a Japanese short term Business Visa for the girls. Can you please confirm the below is OK so they can get started:

1) Occupations of the applicants

Can we specific more?

Can we put their occupations as "Executive Assistant to Mr Jeffrey Epstein, CEO of STC. (or whichever company he owns)"?

2) Purpose of invitation

I believe Joi has asked Jeffrey if the following works, but I am not sure whether he confirmed or not. Can you confirm if it works, just in case?

"Visiting Loftwork to discuss collaboration on supporting startups interested in launching in Japan as well and bringing Japanese startups to the US. Jeffrey advises a number of investors in the US interested in expanding their investment focus to Japan and will be presenting their interests in addition to his own."
