Hi [REDACTED]...the 3 steaks that were to go with JE on the plane , sit here in the freezer at 71st...[REDACTED] is suggesting you (or someone) go purchase **one** steak (NY Strip or Rib Eye) from Gourmet Gallery...if they do not have these fresh cuts available, collect one from the frozen meat section that has been vacuum sealed (packed) from a well known vendor...

If you have any questions, call [REDACTED] [REDACTED]

[REDACTED] will bring the 3 steaks with her on Sunday when she goes to the island...([REDACTED] coordinate with [REDACTED] please)
