Hope you are well! Can you please pass along the following to Jeffrey. Thanks!

Atorus currently has operating partners' capital of \$20MM committed and is nearing first close capacity. Additionally, Atorus has formed a partnership with Ryan Kavanaugh, CEO and founder of Relativity Media, personally and through his family office Knight Global, to invest a material amount into Atorus. I will be in LA through end of this week and then back to NYC on Monday with Ryan. Relativity Media is currently closing its last pre-IPO financing and there is some capacity left for strategic investors. I mentioned to Ryan our connection, and to the extent it makes sense to meet either in NYC or LA with Ryan to discuss both Atorus and/or Relativity let me know. Hope all is well with you.

Attached is the current Atorus Slide Deck.
