Hi Christopher. Merwin says he has delivered the check and has the print and doc in hand! Thank you. We have stopped payment on the other check. I don't think it will come to you, but if it does, you can rip it up. Might you be able to send me a copy of the doc via email?

Is not as complicated as it sounds. Just trying to be very precise. If a driver comes to the [REDACTED] they will be directed in.

Yes, I can hand over print and letter then. I won't be into my studio until about 1030 or even 11

OH MY! yes, that sounds complicated...but I am going to send Jeffrey's driver to you ...it will be either Jojo or Leo (or maybe both so they can decipher the directions!) I will get them your phone number in case they need to call you...would it be easier to just hand them the photo and the letter today as well? then you don't have to send...

Christopher, I see the problem...the check was sent to the wrong

Good morning. I was going to write you. I have not received a check. If it went out Friday then it seems like it is taking too much time in the mail. If it doesn't come today then I would say something is definitely amiss.

To double check address:

As soon as I receive the check I will send the print and letter (which was printed yesterday!)

Helle Lesley,  
thank you for this.  
I will get the print made and the written acknowledgment put together to be sent. I will probably send by either fedex or UPS. Will let you know when I am sending. Just to warn that it will take a few days to get the print made.

all best,  
Chris

Good morning Christopher. Hope you had a great weekend. Wanted to let you know you should receive the check

from Jeffrey early this week...it was sent in Friday's mail to you...Jeffrey would like you to send the one Robert Redford photo and an acknowledgment of the ownership of all the photos taken to him at his home:

Please let me know when you will send the above out and by what means (Fed Ex, messenger, etc?)
