**Subject:** "The Knick" Wants to Use Your Front Door Tues. April 21!

Please see below and advise!

Hi [REDACTED] Mr. Soderbergh loved the exterior of Mr. Epstein's home and would like very much to use it for a scene in his TV show. As I mentioned before the scene takes place in the evening about 8:00PM and will take about 1/2 hour to an hour to shoot. The director would like the actress to walk out of the front doors and on too a horse drawn carriage. We are scheduling this for Tuesday. April 21, 2015. I know you said it is free. But we are not allowed to do this for free. I would like to offer Mr. Epstein Five Thousand dollars or make a donation to his favorite charity in his name. Also we would like to pay any member of your staff that's willing to stay with us while we get the scene done that evening. Please let me know how you would like to go about this and once again thank you and Mr. Epstein for both your time and consideration with this project.

PS Mr. Soderbergh is coming by Monday night to scout the exterior of the building personally.
