Hi [REDACTED]

If the 8th, the am works best as I teach in the afternoon and evening. I am free the entire day of the 9th.

Thanks,

Hi Larry...

Jeffrey will be in NY week of April 7...might you be available to come see him on the 8th or 9th? I can't recall when you teach now...

Hi [REDACTED]

I hope this e-mail finds you well.

Is Jeffrey in town either the week of April 6 or April 13?

I have a couple of things I would like his guidance on and thought I might spend ten minutes with him.

Thanks

Larry
