You need to speak to the doorman and he can direct you to the right person...It is probably Anthony (he is the building maintenance manager) I will also send Anthony an email now and include you on the mail..Glad you are all moved in! For time being, can you open a window a crack for some cold air!

> hello [REDACTED] I just moved in [REDACTED] everything is perfect, but here is crazy warm or even hot because of battery! it's working very hard..who could know how to make it lower and colder? and one more moment, conditioner doesn't work good, there is no cold temperature..so it's very difficult to sleep:(
