Hi [REDACTED]

One item after reading Noam E Mail he mentions "we" and on Lawrence's E Mail he mentions Noam and Valeria - hence I believe we are picking up 2

I will be reaching out to everyone, to confirm pick up areas and who will be picking them up, so I am sure this will be confirmed

Thanks again

Warmest regards

Karen

I see Lawrence tried to include me on this but had an old email address.

Hi.. here is the info from
Noam.. I am working on
whether i can take that 6 am
flight on Sat.. am leaning
toward doing it but will let
you know later tonight.
Either way, your guys can
pick them up at noon, and
bring them to the ranch... and
I will either be with you, or
see you when you land. If I
am with you in Santa Fe,
Amelia can meet us at the
place your plane lands to take
Noam and Valeria to their
hotel.. If I am here, I will do
that.. (once your people tell
me which hanger your plane
will be at..).

So, will let you know tonight.. I like the idea of breakfast and a
walk so assuming I have all
my ducks in a row, will try
and make that happen..

Thanks for everything.

Lawrence

Here is the info from Noam:

"All sounds fine for us. Could he pick us up around noon? We're at
10,000 Waves. Sorry about the
travel disruption. .. Sounds fine
for Sunday."
