# STARTER PACK CONTENTS

Considering using ECHO<sub>2</sub>Plus in your facility? Take a look at our all-inclusive Starter Pack...

## **ECHO<sub>2</sub>PLUS™ Oxygen Concentrator**

Our Starter Pack includes the ECHO<sub>2</sub>Plus Oxygen Concentrator Unit. The concentrator is your constant source of pure oxygen for the ECHO<sub>2</sub>Plus

Oxygen Treatments. It requires no refills (unlike tanks) and comes with a 3 year/1200 hour warranty\*.

## **ECHO<sub>2</sub>PLUS™ Oxygen Treatment System**

Our ECHO<sub>2</sub>Plus Treatment is available for purchase in either pre-measured/assembled Treatment

Packs, each pack good for one full ECHO<sub>2</sub>Plus Treatment, or in a set of five 8.3 oz bottles, each

bottle containing enough of its individual component for 50 treatments. Both methods provide the

same number of treatments; you may choose to order whichever method suits the needs of your clientele.

## **Oxyceuticals™ Oxygen Acne Treatment System**

Our Starter Pack includes a set of five complete treatment packs of the Oxyceuticals™ Oxygen Acne

Treatment System, which utilizes oxygen combined with acne-fighting ingredients to heal and nourish

acne-afflicted skin.

### **Set of Vitamins & Minerals**

Included is a set of our specially formulated Vitamin and Mineral formulas, enough for 50 treatments. Set contains Retinyl

Palmitate (Vitamin A), D-Alpha Tocopherol (Vitamin E), Tetrahexydecyl Ascorbate (Vitamin C), Liquid Minerals, and Simmondsia Chinensis (Jojoba Oil).

### **Set of Gauze & Exfoliant Pads**

Each ECHO<sub>2</sub>Plus Starter Pack includes 1 box of 4x4 sterile gauze pads and 2 packages of 2x2 sterile exfoliant pads to be used during the treatments.
