Hi [REDACTED]
*One item after reading Noam E Mail he mentions "we"
and on Lawrence's E Mail he mentions Noam and
Valeria - hence I believe we are picking up 2
I will be reaching out to everyone, to confirm pick up
areas and who will be picking them up, so I am sure this
will be confirmed
Thanks again
Warmest regards

Hi.. here is the info from Noam.. I am working on whether i can take that 6 am flight on Sat.. am leaning toward doing it but will let you know later tonight. Either way, your guys can pick them up at noon, and bring them to the ranch... and I will either be with you, or see you when you land. If I am with you in Santa Fe, Amelia can meet us at the place your plane lands to take Noam and Valeria to their hotel.. If I am here, I will do that.. (once your people tell me which hanger your plane will be at..).

So, will let you know tonight.. I like the idea of breakfast and a walk so assuming I have all my ducks in a row, will try and make that happen..

Thanks for everything.

Lawrence

Here is the info from Noam:

"All sounds fine for us. Could he pick us up around noon? We're at 10,000 Waves. Sorry about the travel disruption. .. Sounds fine for Sunday."
