Marvin, it will be fine for your photographer to come to the house at 1pm and set up in the Dining Room for the shoot...He can have from 1-2 ish...and then Jeffrey will be available for pictures from about 2:15-2:30 (perhaps a bit more)...please do let me know how long you will need to break down from the shoot so I can properly schedule where his next appointments will take place. Thank you, [REDACTED]
