Hi [REDACTED]. Friday morning I will need you to let [REDACTED] come start cleaning apt 8A at 9am...I have also let them know they need to clean 11P and get ready for you! Just know on Friday you may be slightly displaced for a bit...you can start moving your personal items in to 11P Friday...I have another guest that needs to stay in 8A starting Friday...appreciate you understanding.

OK? [REDACTED]
