Subject: TOEFL Exam

Good morning [REDACTED]...wondering if Jeffrey mentioned to you taking the TOEFL exam in Albuquerque, New Mexico?...did he pass along the web site to sign up on? I had sent him the information the other day, but he never replied back...I am thinking he may have just sent it on to you? He says he wants you and [REDACTED] to take the exam on Sat. March 21st...did he tell you about this? Please let me know...

Thanks, Lesley :)
