Hi [redacted]. Thanks for checking in. [redacted] will be placing the order for food (not sure from where...I sent Soon Yi an email asking if she would like Carvagio, or Chinese Phillippe... or might they prefer something else...she has not answered... [redacted] or [redacted] will have to pick up the food.

Lyn, do we have bottles of Becks beer?

[redacted] or [redacted] - can one of you go buy the desert(s)? Please coordinate between yourselves! Who can do it?
