Lesley

Thank you for inquiring about our upcoming training classes.

We are located in Northern Lower Michigan, today's temp is -27 F, and snowing. No one wants to sleep in tents and march /run/PT in feet of snow, so we close mid-January to mid-March. Open for all classes April 1.

I really don't know about scheduling, they will not be back for more 3 weeks but I'm sure the first few classes are all ready filled as most students in that program (because it's 1-2 weeks long) enroll about a year before the class date thus giving them time to plan (vacation, college/school break, and to start getting into pre-shape)

I have your Email and phone messages. I will forward to scheduling. someone from the front will contact you then.

If you have any more questions or would like to register for one of our upcoming courses, please call the number below or email back.

Thank You
