sure, she can just leave with the doorman...I can't imagine that would be a problem!

fyi-spoke with [REDACTED] and we are all good..the girls name is [REDACTED]..regarding Friday and her move from one apt 11B to apt 8A, if she could be out at 9am so the maids can get the apartment turned around for the next guest that would be great. Then she should be able to move in to 8A at 5pm...I will get you the code to 8A on Friday...all ok here?

[REDACTED] said no problem at all. She will talk to her and see if she wants to move today or tomorrow and I'll let you know.

HI Kim.. [REDACTED] called re an apt for a swedish girl for 10 days...due to renovations going on and several other guests coming/going and staff...we can accommodate this girl but she will have to move apartments at the end of the week...We can put her in 11B starting today (code is 61201) On Friday, she will need to move to 8A (but there are several moving parts this day...she can move in to 8A after the girl currently in there moves in the morning, then the maid needs to clean, then swedish girl can move in to 8A) So Friday she will need to be understanding...We will need her out of 11B in the morning (9am please!) so we can clean for the guest who is due to arrive and stay there as well!

Sorry for all this, but probably better than having to stay at a hotel.

Can you please forward me the swedish girls name? What time did she want to arrive today?

Thanks [REDACTED]
