Happy Thursday [REDACTED]

If Carlos delivers on Tuesday, 3/3 the equipment can make the sail on Friday, 3/6 - "US Customs willing".

Sails on Friday, 3/6, arrives on St. Thomas on Tuesday, 3/10 - I will already have the Bill of Lading and the invoice - if Anna is available, she will clear it, if not our Customs brokers are the back up.

The cargo should be available to pick up on Wednesday, 3/11 - what delays a next day pick up is if the vessel arrives late on Tuesday, or if Customs has a question - we are not anticipating either events occurring. DW
