Jojo just called me and said they are done...the rest is too heavy I guess (needs Stevens help) Jojo said you called Steven and told him he had to stop (I'm sure he has other driving to do) So they will continue this process tomorrow. Apparently Andrew has been with them and knows this...

> He doesn't need Steven with him, but it does have to be scheduled. Depending on which pieces they bring I have to schedule different loading docks. The couch and bed will have to go through the "bigger" dock and that has to happen around 1:00/1:30/2:00 (any day) and the other stuff (think there is only 1 table left that is smaller) can go through a different entrance that can be accessed earlier in the day (morning into early afternoon). Sorry this is so complicated.

I just emailed him asking for a progress report. Can Jojo take stuff to the hospital throughout the day? Does Steven have to be with him?
