Hi Lesley,

Sorry, I must have misunderstood Barbro that I was supposed to contact you directly.

The school's name is thankfully removed from one of the sites, but still not from:

<http://www.jeffreyepsteineducation.com/Recipients.html>

I have emailed [jeffreyepsteinorg@gmail.com](mailto:jeffreyepsteinorg@gmail.com) and asked them to remove us also from this other site. (I simply replied their email that said they had removed the school's name from [jeffreyepstein.org](http://jeffreyepstein.org).)

Hopefully you can help us to make sure that also this other website will be edited.

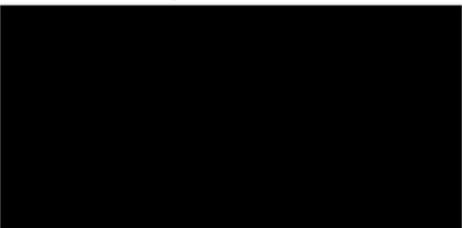

Thank you for all your help!

Kind regards,

Cecilia, for Barbro

Good morning Barbro. I did not hear from Cecilia. Do you know if she has checked the websites to make sure the school name is off everywhere you want it to be off? I hope you are doing ok... Lesley
