ah, I'm sure the washer/dryer in 11J is tiny...ok, well if it doesn't help then forget about it.

and about the schedule, I always rely on you to keep the schedule I give you...if I ask you to put a date in your calendar I expect for the apartment to be cleaned on that particular day. I need you to keep to the schedule I give you...if [REDACTED] is pulling you away from the apartments and asking you to wait a day on an apartment that could be very bad if we have a guest coming in the next day. I can speak to [REDACTED] tomorrow about this. But you need to keep to the schedule I give you for the apartments.

Hi Les, the 11J washer and drier! I try this machine before but, it took me more than an hour to wash and same to dry the linen and towel and you can only use a small portion to it! I have no problem washing the linen and towel but makes me to get done is ironing specially if I clean 2 apartments. Thanks for understanding maybe my [REDACTED] needs to talk to you about this schedules in my cleaning in 301 so I don't get confused about where to go and done my cleaning 301 and 71st.  
Thanks!

Ok understood. [REDACTED] always CC's me on her emails to you. She was trying to take some of the responsibility off of me (which I appreciated.). I can email you and [REDACTED] when she needs her apt cleaned no problem. Thank you for going this morning to clean [REDACTED] apartment. And thank you for the timing to clean apts. that is helpful to know. I do know the laundry takes forever. Don't we have a washer and dryer in 11J? Whenever no one is there you should always do

laundry in 11j to help speed things up. Also, if you need to take some to Jeffrey's so you can help your sister out earlier that is fine to. Just always remember to get the linens or towels back to the proper apt.

Hi Les, I confirm [REDACTED] that I will clean her apartment Today or Wed. I got her message this fast weekend and she ask me if I can clean her apartment early this week, so I say yes either Tuesday or Wed unless something change and I let her know. [REDACTED] told me that Mr. Epstein will be coming back this Thursday, and I told my [REDACTED] that I have schedule in 301 on 15th for 11J which she know that in your email! But I mention it to her that [REDACTED] ask me to clean her apt. but she don't have the message on her email!

[REDACTED] just explaining me that it's better for you to give me the schedule when to clean the apartment. I have no problem on doing that! whenever I got schedule in [REDACTED] It's my job and my responsibility! You always give me the schedule and I always responce it right away! I know my sis! Needs my help in 71st specially when Mr. Epstein is here and I have No problem about that too! I just get confused sometimes who to listen! I think it's much better if you email me all the schedule for cleaning the apartments! About the hrs of cleaning the apartments! It depends! It usually 3 hrs for the apartment or less but the battle is the laundry area even I start early! Drier is an hour or more to be done. Last is i have to iron the duvet, flat, fitted sheets and pillows cases. I'll be cleaning [REDACTED] apartment tomorrow pls let [REDACTED] knows that I'll be cleaning [REDACTED] apt. In the morning! Thank you.... Apologize for my message maybe it's confusing for you and it's very long! Thanks!

HI [REDACTED]...I know Jeffrey is coming back and [REDACTED] wants your help, but she has Leo...Svet asked you to clean her apt last Friday....we need you to get it done. Your priority and what you were hired for is to clean 301...Leo was hired to help [REDACTED] at [REDACTED]...I'm sure she prefers to have you! (who wouldn't want their sister to help) but you should have plenty of time to clean up [REDACTED] apartment tomorrow and then you can go help your sis when you are done. Leo is to help Lyn.

Please confirm you will go clean [REDACTED] apt tomorrow morning. You can then go help [REDACTED] afterwards. Jeffrey is due in on Thursday.

As an aside, How long many hours does it take to clean one apartment...? I would like to know so I can keep for a reference. How long to clean a one bedroom and how long to clean a studio...Thanks!

Thank you for understanding!
