Hi Ms. Groff:

Mike Jaccarino, here, from The National Enquirer. I'm following up on the Jeffrey Epstein story and I'm wondering if we could chat.

I'm specifically looking for an eye-witness account of what took place at Mr. Epstein's parties and any other interesting things that you may have come across while in his presence. I am also searching for evidence of other notable people who attended these parties.

My publication is willing to compensate you for your assistance, depending on what you may be able to tell us or furnish us with regarding this matter.

It's not preferable, but we could also possibly protect your identity, should you assist us, and merely quote you as a source.

Best.

Mike
