Hi Lyn and Jojo. Jeffrey wants ion to come and work on Monday. Lyn, you had said you will be at the house Monday to prep for JE arrival. Can you confirm you will be there and can let Ion in? What time will you arrive?

hi jeffrey,

..yesterday(saturday) they took the scaffold down. hallway looks beautifull.. it looks like a palace., paintings on the walls look good too now. marwin told me that you are coming tuesday night. we didnt finish seal all the gold leaf.. it goes slow all those thin lines. we need more one day and a half maybe two. monday is nobody at the house so we can not work, so we might not finish tuesday night everything. is it all right if we come wednesday at the house to finish all work? we need to do only the seal.

thank you,
ion

hi jeffrey,
..i didnt send you more pictures because nothing new happened lately, we started sealing the gold leafed lines.., besides we worked only a few days for the last two weeks.., they installed the scaffolding, and then everybody was off at the house.. anyway, the crown molding would look like in the pictures attached. in the third attached picture i gold leaf only the front side of the cubes and the vertical bars, and in the forth attached picture you can see i gold leafed the entire cube(the sides too), and the vertical bars i gold leaf half inch around the corner so they look like solid bars.
what do you think? which one is better? the third picture or the fourth picture?

i think we might be done in one week with gold leafing..

happy new year!
