Everything on you list is fine but you can't take the coffee table at this time and I would take both dressers now so you are assured both.

Merry Christmas.

Hi Gregory,

Thank you again for your assistance and advice the other day. I need to send the moving company estimates of furniture that will be moved as soon as possible by today so let me quickly go over again with you one more time, what is available to be moved by Dec 29th. My apologies I know it might become annoying for you but I need to verify if we on the same page.

Available furniture for dec 29th :

10 B: Sofa, coffee table, dresser, desk, two night tables, lights, the multi armed floor lamp and blue ceramic

11P: large mirror, dresser ( is it the same was in 10B?), white desk and bed. Is it the white bed with closets we chose because I remember it being in the apt 8A? Do you have by the chance second white bed ( same one I chose) for my roommate?

Sorry I don't remember already ...are any carpets I chose available now to take ?

Also wanted to clarify the all furniture that I wanted but wasn't included in the current list of available furniture will be eventually released, correct? I am experiencing a difficulty in deciding whether I should take second dresser now or wait when you make a final decision about the mirror dresser( which I really want !;)))...) Is it possible to reserve a white dresser ( same as in 10 B ) for now and take it later if mirror dresser won't be available? At this stage I just want to be guaranteed that if I don't take any dresser for myself now, I won't be left with nothing. Look forward for your respond . thank you Gregory!

Dear [REDACTED]

As per our meeting on Friday you would like to take the following items for your upcoming move.

The sofa, desk, bed, dresser and two night tables from 10B shown below. Along with the multi armed floor lamp and blue ceramic light if you want them. All other lights must stay.

The dining table and chairs can be released if [REDACTED] does not want them.

Also the Bed, Mirror, dresser and desk from 11P can be released if necessary at this time.

All other items will have to wait until we receive more furniture in late February or early March at this point.

Gregory
