James, Jeffrey says you can do the computer work without him..he does not need to sit down with you...This being said, is it imperative that you try to do the minute he gets back to NY? If so, we should try to keep Wed. at 3pm...if not, then Thurs. at 1pm is fine. just let me know...thanks

I have commitments starting at 3:30 on Wednesday.

I could cancel the first, but the second is someone that's been trying to schedule me for two weeks so I'd have a hard stop at 6PM.

I'm available Thursday afternoon after 1PM or anytime on Friday, if either of those work.

(The actual work I have to do on Jeffrey's computer should take 30 minutes.
If he didn't care about talking with me, I could work on it
in another room on Wednesday...?)
