Subject: Hey Girlfriend!

Please tell me Chez Slay is available May 6-11. I'm taking my wife to NYC for my birthday/Mothers Day to hang out. Already have airline tix which I probably should NOT have bought till I found out if "my" apartment is available. I guess I could always stay in a hotel. Don't know where my wife will stay. You have a guest room? And I really want her to meet my pal JE.
