Subject: Happy New Year!

Dear [REDACTED]

With a slight delay, I would like to wish you a happy new year 2015!

Could you please make sure Jeffrey receives also my warmest wishes for this new year?

I feel so grateful for all the tips and support he gives me in my American projects. Thanks to him, I will be doing my US Debut in the Bard Music Festival (I can't wait to know the final program, I haven't heard of them lately...).

It is very important for me as a young artist to have those who have already grown their own path further believe in my future and potential.

May 2015 be precious and full of joy in Music and beyond. Hope to see you and Jeffrey soon in NYC, I will be back in February.

Simon Ghraichy
