Hi Gregory...I can't remember...did you say you are going to cancel the floor finishing in 10B?
It is to start Jan. 5...just want to have in my schedule correctly

I finally extract exact dates from Artefacto for the New York deliveries.
Please see their email below.

I just spent another two hours on the phone with Rosana straightening out the delivery to Palm Beach.
The four extra sofas will be picked up Monday morning and they will correct the paperwork.

Also the four shearling chairs will be delivered on Monday morning to your NY house and I will be there.
Merwin is already aware of it.
