Hi [REDACTED]..can you tell me what it is you are in need of when it comes to furniture? Our problem is the new furniture is still not expected for 'weeks' I am told..I know you had said you need a bed...is that the main concern? but please, give me a list of what you need..I will have to go to Jeffrey with this..if we let you take furniture, we will be down an entire apartment..but he may be ok with that..

But before I can do anything, I need to know what it is you hope to take...send me a list as soon as possible...

Thanks, [REDACTED]
