Subject: Running late!

Coming home from a Colorado ski trip to a household turned 'upside down' with all new carpet and tile 2 weeks before Christmas has set me back considerably! Christmas gift packages are NOT going to shipped in time for them arrive at your places before Christmas – NO way can I manage that! Somethings will be coming all of y'all's way soon as I can get organized – Please just think of it as your 'New Years' gift! I've been stressing terribly about it 'til I realized there's no law says they HAVE TO be there by Dec. 24th - Stuff will be just as FUN later on! And have a very Merry Christmas, Love D
