Thanks for checking-in Lesley. Steve is doing really well. He went to work for a 1/2 day yesterday and is there again today, so I'll pick him up around 3:30pm. He has a few doctor's appts this week, so I'm just busy driving him to/from work and his appts.

I'll let him know you reached out.

Hi Nicole. Just wanted you to know I am thinking about you, Steve and the kids.
How is Steve doing? Please, if I can do anything, don't hesitate to ask.

:) Lesley
