Ok. Sorry about that. Hoping Jeffrey will try again. But let me know if they don't connect and we can try again.

Thanks, Lesley.
We probably missed his call by about a minute. He didn't call that early - it was just before 9 am.

Again, thanks for your help.

Hi Catherine...sorry we had such a bad connection...I had reminded Jeffrey this morning around 8:30am that Leon was hoping to speak with Jeffrey today and should be available around 9:30ish...I provided the office number because I figured if he called that number he would reach you and you could connect...I did not realize he would call you so early however! I just emailed Jeffrey again and let him know Leon should be available around 9:45am and gave him Leon's home number and requested he dial that...hoping that he will!

Thanks, lesley
