Lesley, I'm leaving in 10 min. Everything was great! There is one thing, you probably know: I think kitchen duct has a poor air flow. That allows cigarette smoke from other apartment to come in. I haven't been using AC and I notice that smoke is very strong in the evenings. It will stay all night and morning. I had to open a window to have fresh air to coming.

Thank you,

Lesley, I changed traveling time and I will be arriving to NYC around 9am. Would that be possible to get to the apartment around that time? If not, I can wait at coffee shop until 2pm.

Thank you,
