No! No worries at all! You always get the conf call on the phone first and then put Darren on. You dial in like you are Darren. Then once everyone is on, you transfer the call to Darren. :)

the DKI one was blank. and the JE one just had a phone number.
Darren sent me an email with a number and PW - in order for me to conference him in, do I need to call him first, then the number? or visa versa?

And, is it that simple to dial? Just phone number and password? I feel like there should be more steps lol
